Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Glenn Heights, Texas 2 MG elevated storage tank project in Fiscal Year 2026. The entity to receive funding for this project is the City of Glenn Heights, Texas, located at 1938 South Hampton Road, BLDG. C, Glenn Heights, Texas 75154. The funding would be used for a new 2 million gallon tank elevated water storage tank. The project is an appropriate use of taxpayer funds because currently, the existing storage tank does not have sufficient capacity to support the city's rapid growth. Glenn Heights is experiencing significant residential and commercial development, and without this new infrastructure, the city's ability to provide adequate water service to both existing and future residents would be compromised. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Ellzey".
