Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Italy Water Wells Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Italy, located at PO BOX 840, Italy, Texas 76651. The funding would be used for a pre-construction assessment, removal of existing equipment, structural repairs, casing replacement, pumping equipment replacement, and electrical and power system upgrades of the City's water wells. The project is an appropriate use of taxpayer funds because it will increase the city's water capacity and availability, and increase opportunity for development in and around the city.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Ellzey'.
