Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Dr. Kent E. Rogers Clinic project in Fiscal Year 2027. The entity to receive funding for this project is the Navarro County Ambulatory Care Association DBA, located at 618 N Main Street, Corsicana, TX 75110. The funding would be used for diagnostic and chronic disease management equipment, exam room improvements, purchasing and outfitting of a mobile healthcare unit, and health IT infrastructure. The project is an appropriate use of taxpayer funds because this project will directly improve healthcare access and outcomes for residents of Texas's 6th Congressional District, particularly those living in rural communities across Navarro, Freestone, and Limestone counties.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Ellzey".
