Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Grand Prairie Fire Station Safety Road Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Grand Prairie, located at 300 W Main Street, Grand Prairie, TX 75050. The funding would be used to widen and improve Davis Road to ensure safe and efficient emergency vehicle movement while enhancing overall traffic safety in this high-growth area. The project is an appropriate use of taxpayer funds because the project enhances roadway access, reduces the risk of collisions, improves response times, and supports reliable fire protection for residential and commercial development in the heart of the district.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Ellzey'.
