

Congress of the United States
House of Representatives
Washington, DC 20515

5/20/2025

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Glenn Heights, Texas 0.5 Million Gallon Elevated storage tank project in Fiscal Year 2026. The entity to receive funding for this project is the City of Glenn Heights, Texas, located at 1938 South Hampton Road, BLDG. C, Glenn Heights, Texas 75154. The funding would be used for a 0.5 million Elevated water storage tank. The project is an appropriate use of taxpayer funds because a recent hydraulic study identified the need for additional storage capacity in the southern portion of the city to maintain adequate water pressure, system reliability, and emergency reserves. Without this new tank, the city's ability to support current and future growth while ensuring consistent water service would be significantly limited. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Ellzey".

Jake Ellzey
Member of Congress
